CRISIS OF GIRLHOOD

A TIME OF PAIN AND PERIL north of Wasioto, Ky.

Miss Emma Cole Says that Lydia E Pinkham's Vegetable Compound has Saved Her Life and Made Her Well

How many lives of beautiful young girls have been sacrificed just as they were ripening into womanhood! How many irregularities or displacements have been developed at this important period, resulting in years of suffering!

A mother should come to her child's aid at this critical time and remember E. Pinkbam's Vegetable Compound will prepare the system for the coming change and start this trying period in a young girl's life without pain or irregularities.

Miss Emma Cole of Tullahoma, Tenn..

Dear Mrs. Pinkham: "I want to tell you that I am enjoying bet-ter health than I have for years, and I owe it all to Lydia E. Pinkham's Vegetable Com-

it all to Lydia E. Pinkham's Vegetable Compound.

"When fourteen years of age I suffered almost constant pain, and for two or three years I had soreness and pain in my side, headaches and was dizzy and nervous, and loctors all failed to help me.

"Lydia E. Pinkham's Vegetable Compound was recommended, and after taking it my health began to improve rapidly, and I think it saved my life. I sincerely hope my experience will be a help to other girls who are passing from girlhood to womanhood, for I know your Compound will do as much for them."

Threatens to Massacre Unfortunate Hebrews if Their Civil Rights are Enlarged.

St. Petersburg.-The threats of the reactionary parties that Jewish massacres will be organized if the rights of the Jews are enlarged, are steadily becoming more definite. The central council of the league of the Russian people, claiming to represent 30,000,-000 people, have issued a declaration disclaiming responsibility for the outrages which may result from the just indignation produced by the enlargement of Jewish rights, and has published the text of 200 dispatches of protest sent to the emperor from local organizations, of which the following is a sample phrase:

"It is dangerous to further test the gentleness and patience of the peace-ful Russian population, which may be forced, in its defense against the Jews, to overstep the limits of law and order and resort to violence."

The publication of the reforms is certain to result in a break between the reactionary and monarchial parties and Premier Stolypin's adminis-

Even doing good to people is hard work if you have too much of it to do. No one knows this better than the hard-working, conscientious family doctor. He has troubles of his ownoften gets caught in the rain or snow, or loses so much sleep he sometimes gets out of sorts. An overworked Ohio doctor tells his experience:

"About three years ago as the result of doing two men's work, attending a large practice and looking after the details of another business, my health broke down completely, and I was little better than a physical wreck.

"I suffered from indigestion and constipation, loss of weight and appetite, bloating and pain after meals, loss of memory and lack of nerve force for continued mental application. "I became irritable, easily angered

and despondent without cause. The heart's action became irregular and weak, with frequent attacks of palpitation during the first hour of two after retiring "Some Grape-Nuts and cut bananas

came for my lunch one day and pleased me particularly with the result. I got more satisfaction from it than from anything I had eaten for months, and on further investigation and use, adopted Grape-Nuts for my morning and evening meals, served usually with cream and a sprinkle of salt or sugar.

"My improvement was rapid and permanent in weight as well as in physical and mental endurance. In a word. I am filled with the joy of living again, and continue the daily use of Grape-Nuts for breakfast and often

for the evening meal. "The little pamphlet, 'The Road to Wellville,' found in pkgs., is invariably saved and banded to some needy patient along with the indicated rem-Name given by Postum Co., Battle Creek, Mich. "There's a reaWORST CASE OF ECZEMA.
